

## **Bungalows: Homes of Our Neighborhood WebQuest Presentation**

*Illinois Education and Technology Conference, Springfield, Illinois, November 26, 2006*

### **Links**

The following are excellent sources to learn more about WebQuests and their use in education.

- Bernie Dodge's site from San Diego State University  
<http://webquest.sdsu.edu/>
- Tom March's site on Web Quests and more  
<http://tommarch.com/learning/index.php>
- WebQuest Examples by Grade Level  
<http://www.techtrekers.com/webquests/>
- Kathy Schrock's Guide to WebQuests  
<http://school.discovery.com/schrockguide/webquest/webquest.html>

### **How to Write a WebQuest**

These links give you the information you need to write your own WebQuests.

- Pre-Writing Your WebQuest

### **Online Course**

The Chicago Bungalow WebQuest was created as part of a class I took from STAR-Online though Western Illinois University. I highly recommended the class and the online approach for developing a WebQuest. STAR-Online classes can be taken for college credit or for CPDUs. You can find more information on STAR-Online classes at <http://www.star-online.org>.
